### General Notes Relating to European Cover

**We** will provide service in the **territorial limits (Europe)** where the maximum duration of any single **trip** does not exceed 90 days. However short term policies (those with a Period of Insurance lasting one month or less) will be limited to a single **trip** not exceeding the Period of Insurance.

Due to differing national standards and infrastructures abroad, assistance may take longer in arriving. **We** will require detailed information from **you** regarding the location of **your vehicle**. **We** will need to know details of **your** itinerary and if requested proof of both **your** outbound and inbound travel dates must be provided to validate **your** claim. When **we** have all the required information **we** will liaise with **our** European network and **you** must remain contactable to avoid any delays. During public holidays, many services such as repairing garages will be closed, **we** will not be held liable for any delay this causes.

In the event of a **breakdown** on a motorway or major public road within the **territorial limits (Europe)**, access may be restricted to a private towing service only. Should this occur, **you** will need to obtain assistance via the SOS phones. The private towing service will tow **your vehicle** to a place of safety and **you** will be required to pay for the service immediately. **You** can then contact **us** for further assistance. **We** will pay a maximum of £150 towards reimbursement of the costs, but **we** will only reimburse claims when **we** are in receipt of valid proof of payment. ### Alternative Transport Abroad\*

In the event of a **breakdown** within the **territorial limits (Europe)**, **we** will pay up to £500 towards the reasonable cost of alternative transport or a hire vehicle up to 1,600cc to allow **you** to continue **your trip** in the **territorial limits (Europe)** whilst **your vehicle** remains unroadworthy. **We** will also pay up to £200 towards the reasonable cost of alternative transport for two people to return and collect the repaired **vehicle**.

### Emergency Overnight Accommodation Abroad\*

In the event of a **breakdown** within the **territorial limits (Europe)** where **your vehicle** cannot be repaired the same working day and which results in **you** not being able to stay at **your** pre-booked accommodation, **we** will pay up to £150 per person for one night towards the reasonable cost of overnight accommodation including

breakfast for **you** and **your passengers**. The maximum Emergency Overnight Accommodation Abroad payment per incident is £1000.

\*These services may be offered on a pay/claim basis, which means that **you** must pay initially and **we** will send **you** a claim form to complete and return for reimbursement. Although **we** will endeavour to source the required spare parts for **you**, **we** can make no guarantee the parts will be immediately available to **us**.

## General Notes

### Uninsured Service

**We** can usually provide assistance for services which are not covered under this insurance policy. All costs (including an administration fee) must be paid for immediately by credit or debit card.

### Change of Vehicle

**Our** policy only covers the **vehicle** registered on **our** database, therefore any change must be notified immediately by contacting the organisation **you** purchased this policy from. Please provide them with **your** policy number, the new registration, make, model and colour of **your vehicle** and the date **you** wish to make the change.

### Call Recording

To help **us** provide a quality service, **your** telephone calls may be recorded but will only be shared with partner organisations directly relevant to the **breakdown** service **we** provide.

### Governing Law

This policy will be governed by English law, and **you** and **we** agree to submit to the non-exclusive jurisdiction of the courts of England and Wales unless **you** live in Jersey in which case the law of Jersey will apply and the Jersey courts will have exclusive jurisdiction.

### Language

The contractual terms and conditions, and other information relating to this contract will be in the English language.

### Measurements

A Home Assist is calculated using a straight line from the **home address** to the location of the **breakdown**. All other measurements are calculated using driving distances.

### Garage Repairs

Any repairs undertaken by the **recovery operators** at their premises are provided under a separate contract, which is between **you** and the **recovery operator**.

### Multiple Vehicle Policies

Multiple **vehicle** policies must be registered to one address within the **territorial limits (UK)**.

### Signing Documentation

**You** may be asked to sign documents by the **recovery operator** which relate to the service being provided. Whilst **you** are not required to sign such documents, failure to do so may result in further services being denied. Please do not sign any documents until **you** have read and understood the content in full. In the event **you** require assistance with understanding such documents please contact **us** on 01206 714860.

### Emergency Repairs

Emergency repairs undertaken at the roadside by **recovery operators** cannot be guaranteed and in some cases, will not be attempted. Due to the nature of roadside assistance it is not always possible for **recovery operators** to accurately diagnose the fault with the **vehicle** or state whether the **vehicle** is in a roadworthy condition or otherwise safe to drive. **Recovery operators** are not instructed to conduct **vehicle** health inspections.
